A. When a department head position becomes vacant or is newly created, the chief administrative officer shall submit to the director of personnel a statement defining the scope of the duties of said position and the board of supervisors' expectations for accomplishments and performance of the person filling said position.

B. Upon receipt of the statement required by subsection A of this section, the director of personnel shall develop a ~~proposed~~ job description and ~~standards~~ for the position. Such ~~standards~~ job description shall include the legal requirements established by the County Charter, county ordinances and state statutes; minimum requirements in terms of knowledge, skill and ability; and desirable

qualification in terms of experience, education and training. The ~~proposed job~~ descriptions and standards shall be submitted to the board of supervisors for review and approval.

C. The director of personnel shall ~~propose~~ develop a recruitment effort plan, ~~the~~ including procedures for screening and ranking of candidates, and a ~~schedule~~ of recruitment time frame, ~~screening and presentation for submission~~ to the board of supervisors. ~~The recruitment and selection plan shall be submitted to the board for review, modification and approval.~~ The director of personnel shall implement the approved recruitment plan and ~~selection program~~.

D. Where the recruitment plan requires the use of a search firm, the director of personnel may, through a competitive proposal process, select a search firm and develop and execute a contract, approved as to form by County Counsel. The process in this subsection may also be utilized by the director of personnel for other non-department head executive recruitments, as necessary.

Section 2.06.030 Candidates --~~Certification~~.

A. The director of personnel shall ~~certify~~ transmit to the board of supervisors the names of the ~~five~~ candidates standing highest on the list of those who are evaluated as qualified. ~~If fewer than five are considered to be qualified, the initial certification may be limited to that number.~~ These names shall be submitted transmitted in alphabetical order, with no indication of rank or score.

B. If, after considering the first ~~certification~~ list of candidates, ~~the majority of the board~~ wishes to consider additional candidates, it may request that the

director of personnel ~~certify~~ provide additional names from the list of those ~~meeting the standards of the position~~ evaluated as qualified, or that additional recruitment be instituted.

Section 2.06.040 Confidentiality of records -- Previous employment defined.

The names of applicants and information about them obtained through the selection process shall be kept confidential by the board of supervisors and the director of personnel; provided, however, that upon ~~certification~~ transmittal of names to the board of supervisors for consideration for appointment, the name of any applicant so ~~certified~~ transmitted, his education and previous employment shall no longer be kept confidential, and shall be a matter of public record. "Previous employment," as used in this section, means the title of the positions held, the dates such positions were held, and the description of the duties for such positions. All other information about an applicant shall remain confidential, notwithstanding the ~~certification~~ transmittal of said applicant's name to the board of supervisors for consideration for appointment.

Section 2.06.050 Appeal of selection procedures.

If an applicant for a department head position believes that his qualifications have not been judged correctly in relation to the ~~standards~~ job description for the position and the screening and ranking procedure ~~approved by the board of supervisors~~, that candidate may request an administrative review by the director of personnel. The director of personnel shall review the case, take any corrective action

which is appropriate, and report his findings to the applicant and to the board of supervisors. The decision of the director of personnel shall be final, subject to the review provided by law for decisions of local administrative agencies.

6.76.020 Additional information.

A. The County Forester and Fire Warden shall also serve as the fire chief of the County Fire Protection Districts without additional compensation, and the Chief Deputy County Forester and Fire Warden shall also serve as the chief deputy fire chief of the County Fire Protection Districts without additional compensation.

B. The County Forester and Fire Warden is authorized to appoint persons employed in the County of Los Angeles and the County Fire Protection Districts, as he may deem necessary, as Deputy Fire Warden, Without Compensation (Item No. 9470), or Assistant Fire Warden, Without Compensation (Item No. 9469). However, no person shall be appointed to either of these positions who does not hold either a position in the County of Los Angeles or a position in one of the County Fire Protection Districts of the County of Los Angeles.

C. Persons employed on a 56-hour week basis in the Fire Department shall meet their continuous service requirements and basic workweek obligations, and receive holidays and bereavement leave benefits in accordance with provisions of the Salary Resolution of the Los Angeles County Fire Protection Districts, as amended. (See Appendix 6 following Title 6.)

D. In any case where the Chief Administrative Officer finds, upon investigation, that certain 56-hour personnel should be designated as less than 56-hour positions, he may so designate. The provisions for holidays, sick leave and vacation, as provided for 40-hour personnel, shall generally apply to these positions.

E. Persons assigned to act as driver to the County Forester and Fire Warden shall be compensated at a rate two schedules higher than that established for their positions in Section 6.28.050 of this code.

F. Deputy Fire Chief, Emergency Operations (UC) (Item No. 0219), Assistant Fire Chief (Item No. 0217A) and all positions listed in Section 110 (2) of the Salary Resolution of the Los Angeles County Fire Protection Districts (see Appendix 6 following this title), are dual-status items, and the compensation for such positions shall be as set forth in Section 6.28.050 of this code. The proportion of salaries and wages chargeable against the County Fire Protection Districts will be in the form of a service charge to the Districts. It is the intent of this provision to provide dual status for said positions with compensation provision in both this code and in the Salary Resolution of the Los Angeles County Fire Protection Districts.

G. In any case where the Director of Personnel finds, upon investigation, that persons employed in the Fire Department as Transportation Truck Driver (Item No. 6054) are assigned to the active suppression of fires, he may authorize the payment of additional compensation to such persons during the periods of such assignment at the rate of \$0.18 per hour. All payments made under this provision are subject to prior approval annually by the Chief Administrative Officer, and a report of payments made shall be submitted annually to the Chief Administrative Officer.

H. Persons employed in the following classes as of September 30, 2000, shall have the pay rate provided by Chapter 6.08 increased on October 1, 2000 by 7.5 percent:

A. Standby Compensation for Persons Assigned to Mental Health Mobile Response Teams.

1. In lieu of the compensation provided for in subsection B of Section 6.08.240 and Section 6.10.120 of this code, any person designated in subsection A2 of this section who is assigned to a Mobile Response Team shall receive a \$1.00-per-hour bonus, but not to exceed a maximum of \$300.00 per month, for each hour such person is assigned to regularly scheduled standby periods which occur at off-duty times.

2. The provisions of this subsection A shall be applicable only to persons who are employed by the department in one of the following classes:

Item No.	Title
4739	Chief Mental Health Psychiatrist

5470	Mental Health Consultant, M.D.
5471	Consulting Specialist, M.D.
5475	Physician, M.D.
5477	Physician Specialist, M.D.
5492	Mental Health Clinical District Chief, M.D.
9038	Supervising Psychiatric Social Worker

3. Any person employed as a Physician, M.D., Physician Specialist, M.D., Chief Physician I, M.D., or Senior Physician, M.D. who is assigned to the Mental Health Mobile Response Team on a standby basis and during such assignment is ordered to return to duty shall receive, upon his or her actual return, compensation pursuant to Section 6.08.240 C of this code; provided, however, the combination of pay provided under this subsection A and the provisions of subsections B, C and D of Section 6.08.240 shall not exceed 60 percent of a physician's base monthly salary, calculated twice each month, once for the period of the first through the fifteenth of the month, and once for the period of the sixteenth through the end of the month.

4. Assignment to such standby service requires the prior annual authorization of the Chief Administrative Officer, and payment of said bonus for standby service requires the finding of the Chief Administrative Officer that such service meets the standards set forth in this subsection A.

B. Any person employed in a nonrepresented full-time, permanent position requiring a California license to practice as a Registered Nurse shall, upon authorization of the department head, be allowed time necessary to be absent from work, at regular pay, to a maximum of 20 hours total during one fiscal year, for the purpose of meeting mandatory continuing-education requirements. On-the-job training (or in-house offerings) accredited for meeting applicable state relicensure or recertification requirements shall count toward meeting the county obligation of 20 hours. Further, any person employed in a nonrepresented part-time permanent position requiring a California license to practice as a Registered Nurse, who works at least 20 hours per week on a continuing basis, shall upon authorization of the department head, be allowed time necessary to be absent from work at regular pay to a maximum of 10 hours during the fiscal year. Where the department requires certification beyond 20 hours (10 hours in the case of permanent nonrepresented part-time employees), additional continuing education hours will be granted.

C. Compensation of the Medical Director, M.D., Mental Health (Item No. 4567) and Medical Director, M.D., Mental Health (UC) (Item No. 4574). Notwithstanding any other provision of the County Code, the Director of Mental Health, for recruitment purposes, may establish the compensation of the Medical Director, M.D., Mental Health and the Medical Director, M.D., Mental Health (UC) at the time of initial appointment at a flat monthly rate not to exceed a maximum annual salary of \$190,000.00. Each such increased rate shall be the new flat monthly rate. Any rate established pursuant to this subsection shall constitute a base rate. In the event a flat monthly rate is established pursuant to this subsection, the provisions of County Code Sections 6.08.200, 6.08.210, 6.08.220, 6.08.230, 6.08.240, 6.08.250, 6.08.260 and 6.08.270 shall not apply to the positions of Medical Director, M.D., Mental Health and Medical Director, M.D., Mental Health, (UC).

In any case where the Chief Administrative Officer finds, upon investigation, that sworn personnel who are employed in the Sheriff's Department are assigned to the aero detail as helicopter pilots on a permanent, full-time basis and as a part of their duties, are required to fly on a regular basis, they shall be entitled to receive compensation in addition to that provided for their items in Section 6.28.050 or under Section 6.28.140 of this code as follows:

Item No.	Title
2708	Deputy Sheriff -- Bonus II Compensation and two schedules

2719	Lieutenant -- Four Schedules
2721	Captain -- Four Schedules

2. 3. Persons employed in the Sheriff's Department who are assigned to work on a permanent basis on Catalina Island and are required during such assignment to reside on Catalina Island, shall be entitled to compensation at a rate four schedules higher than that established for their respective positions in Section 6.28.140 of this code provided that any such employee who is offered and accepts housing in a residence provided by the county at no cost to the employee shall not be entitled to the compensation provided by this subsection B3.

4. Persons employed on items of Deputy Sheriff (Item 2708A), Sergeant (Item 2717A), or Lieutenant (Item 2719A), shall be entitled to compensation at a rate two schedules higher than that established for their positions in Section 6.28.140 of this code when regularly assigned on a permanent basis to the emergency services detail or to the marine unit underwater recovery team and actively engaged in diving operations.

5. Persons employed on the items of Deputy Sheriff (Item No. 2708), Sergeant (Item No. 2717), or Lieutenant (Item No. 2719), shall be entitled to compensation at a rate four schedules higher than that established for their positions in Section 6.28.140 of this code when they have successfully completed special training and are assigned on a full-time, permanent basis to explosives detail duty.

6. A maximum of one person employed in the position of Deputy Sheriff (Item No. 2708), who is regularly assigned on a permanent basis to serve as sergeant-at-arms for the Board of Supervisors shall, in lieu of compensation provided by

Section 6.28.140 of this code for the position he holds, be compensated while so assigned as if he were temporarily promoted to the position of Sergeant (Item No. 2717).

C. 1. Notwithstanding any other provision of this code, any person initially employed in a position of Deputy Sheriff (Item No. 2708) who has at least two years of active law enforcement experience in a Post-Certified California police agency shall be compensated on a five-step salary range. Persons so employed with four or more years of such qualifying experience shall be compensated on a four-step salary range. The rate or rates established by these provisions constitute a base rate.

2. Notwithstanding the provisions of subsection B of Section 6.08.010 of this code, persons employed as a Deputy Sheriff (Item No. 2708) must have successfully completed patrol and custody training, and six years' service as a Deputy Sheriff Trainee or higher before advancing to the eighth step of the range for Deputy Sheriff.

3. A person employed as a Deputy Sheriff (Item No. 2708) who is assigned to a position which has been designated by the Sheriff and the Chief Administrative Officer as a bonus-level position shall be entitled to compensation as follows:

a. Persons assigned to a Bonus Level I position shall be entitled to additional compensation at a rate two schedules higher than that established for his class in Section 6.28.140 of this code, or the number of schedules to which he is entitled pursuant to subsection C3b below if he has been reassigned from a Bonus Level II position, whichever is greater. Upon reassignment from a Bonus Level I position, additional compensation provided by this subsection C3a shall be discontinued.

b. Persons assigned to a Bonus Level II position shall be entitled to additional compensation at a rate four salary schedules higher than that established for the class of Deputy Sheriff (Item No. 2708) in Section 6.28.140 of this code. Two additional standard salary schedules shall be granted for each continuous year of satisfactory performance on the Bonus Level II position, except that in no case shall the total compensation provided by this subsection C exceed the fifth step rate of the class of Sergeant (Item No. 2717), as provided in Section 6.28.140 of this code. Upon reassignment from a Bonus Level II position, any additional compensation provided by this subsection C3b shall be reduced in the same manner and order in which it was increased until the appropriate salary for the assignment is reached.

c. The rate or rates established by this provision constitute a base rate.

4. Notwithstanding any other provision of this code, persons employed as a Deputy Sheriff IV (Item No. 2712) as of May 31, 1981 will on June 1, 1981 be assigned to a position of Deputy Sheriff (Item No. 2708), but will retain status in the class of Deputy Sheriff IV (Item No. 2712). Such persons will be entitled to receive, in addition to that compensation provided for the class of Deputy Sheriff IV in Section 6.28.140 of this code, such other additional compensation as provided in this code for eligible persons in the class of Deputy Sheriff, except for Bonus Level I compensation.

D. Notwithstanding any other provision of this code, any person employed in a position of Deputy Sheriff Trainee (Item No. 2707) who possesses an Associate of

Arts Degree from an accredited college shall be compensated on a four-step salary range. Persons so employed who possess a Bachelor's Degree from an accredited college shall be compensated on a three-step salary range. Other persons so employed shall be compensated on a five-step salary range. The rate or rates established by this provision constitute a base rate.

E. Any person employed as a Sergeant (Item No. 2717) who is assigned to a work unit designated by the board and regularly assigned to supervise or work with a Deputy Sheriff (Item No. 2708) who is in a Bonus Level II position, shall receive a supervisory/skill bonus equivalent to one standard salary schedule, unless said Sergeant's compensation already exceeds that of said Deputy Sheriff by more than one standard salary schedule. The rate or rates established by this provision constitute a base rate.

F. Any person employed as a Sergeant (Item No. 2717), Lieutenant (Item No. 2719), Captain (Item No. 2721), or Commander (Item No. 2723), who is assigned in an acting capacity by his department head to fill a vacant, budgeted higher-level position, and who is on a promotional list for such classification from which appointments are enjoined or stayed for any reason shall, commencing on the thirty-first consecutive calendar day of such acting-capacity assignment and continuing for the duration of such assignment, be compensated one standard salary schedule above that provided elsewhere in this code or as provided under Section 6.28.140 for his classification.

G. Persons employed under Item 9307 (Keeper, NC) shall be entitled to receive an amount equal to the fee allowed by Section 26726 of the Government Code for keeping property.

H. Persons who are assigned to detention camps shall work a 56-hour week. In any case where the Chief Administrative Officer finds, upon investigation, that certain positions in detention camps should be designated as less than 56-hour positions, he may so designate. The provisions for holidays, sick leave and vacation, as provided elsewhere in this code, shall generally apply to these positions.

I. In addition to all other compensation provided for in this code, \$5.00 shall be paid to persons employed in Registered Nurse, Medical Technologist and Radiologic Technologist positions in the Sheriff's Department each time they qualify for compensation under Section 6.10.130 of this code.

J. 1. a. Where specifically authorized by the board, persons employed in the Sheriff's Department who are issued an on-call subpoena, properly issued by a court legally empowered to subpoena witnesses and who remain on-call during off-duty hours for court appearances, shall receive compensation at one-half the hourly rate established for their classification in Section 6.28.050 or in Section 6.28.140 of this code for each hour that they are on-call while the court is in session, and for travel time to and from court resulting from receipt of a call to appear in court. Such employees shall be entitled to such compensation for a minimum of two hours for each day they are on-call. For purposes of this subsection J, the on-call period will begin at the time for appearance in court specified in the subpoena and will end when the employee is relieved from the on-call requirement by the court, or by the sheriff's department, or upon arrival at the court in response to a call by the court.

b. Notwithstanding the provisions of subsection B2 of Section 6.14.070 of this code, compensation paid pursuant to subsection J1a above shall not be included in the computation of the time and one-half rate.

2. Further off-duty time spent in court by persons subject to subsection J1a above, as a result of such subpoena shall be compensated pursuant to Chapter 6.15 of this code.

3. For purposes of this section, off-duty hours shall be deemed to be those hours not included by the department in the workday or workweek scheduled for the employee.

K. Any nonrepresented person employed in a full-time, permanent position requiring a California license to practice as a Registered Nurse shall, upon authorization of the department head, be allowed time necessary to be absent from work, at regular pay, not to exceed 32 hours in one fiscal year or 40 hours total during the period September 1, 1995 through August 31, 1997, for the purpose of meeting mandatory continuing-education requirements. On-the-job training (or in-house offerings) accredited for meeting applicable state relicensure or recertification requirements shall count toward meeting the county obligation of 40 hours.

L. In exchange for the additional compensation provided in paragraph 2 of subsection A of Section 6.10.105 on January 1, 1998 persons employed in the classes listed therein on December 31, 1997, shall have the pay rate provided by Chapter 6.08 Part 3 on January 1, 1998 reduced to an amount obtained by dividing that pay rate by 1.03, if the highest level of certificate possessed is the Basic POST Certificate, or by 1.06, if the highest level of certificate possessed is the Intermediate POST Certificate, or by 1.09, if the highest level of certificate possessed is the Advanced POST Certificate or Executive POST Certificate.

M. Notwithstanding any other provision of this code, one person employed as a Compliance Auditor (Item No. 0684) who is assigned by the Sheriff to direct internal audits of Sheriff's Department operations shall be compensated at the same salary as the class of Principal Accountant-Auditor (Item No. 0682). Any person so assigned to direct internal audits who was receiving compensation under the provisions of Section 6.40.020 of this code at time of appointment to Compliance Auditor (Item No. 0684) shall continue to receive equivalent compensation.

Notwithstanding Section 6.08.340 F, if a Participant employed by the Los Angeles County Employees Retirement Association, because of a change of status, would receive a reduction in Salary which is not merited under the circumstances, such Participant may receive Salary rate placement or a Y-

Rate to provide the proper Salary, if such Salary rate placement or Y-Rate is approved by the person designated to act as retirement administrator pursuant to Section 6.127.020 of this code. If such retirement administrator finds at any time that the circumstances which supported his/her original approval no longer exist, he/she may discontinue the special Salary rate placement or Y-Rate.

c. Initial Salary Placement. Salary placement of a Participant upon such initial appointment within the fourth quartile must be approved by the Boards of Retirement and Investments upon recommendation of the retirement administrator, supported by written findings as described above. All such written findings supporting Salary placement above the minimum of the Salary Range shall be retained in the files of the Los Angeles County Employees Retirement Association for a period of five years.

4. Special Achievement. Notwithstanding provisions of Section 6.08.335 G and H, effective July 1, 1997, any person designated to act as retirement administrator pursuant to Section 6.127.020 of this code may at any time authorize a Salary rate adjustment up to 2.75 percent per fiscal year for any Participant employed by the Los Angeles County Employees Retirement Association for special achievement or exceptional contribution in the execution of his or her duties, as determined in a written finding, provided that any such additional adjustment shall not result in a Salary rate exceeding the maximum of such Salary Range. Chief Administrative Officer	History	Comments
Section 6.50.020 Additional Information		
<p>A. Whenever the office of the Chief Administrative Officer is vacant and the duties are performed by the chief deputy, said position shall be compensated at the rate established for the position of chief administrative officer in accordance with Section 6.28.050.</p> <p>Definition: "Vacant" has always meant no person is holding the position and the previous incumbent has either terminated, retired or died.</p>	<p>Date of adoption is unknown; however versions of this language have appeared in the departmental articles of the Chief Administrative Officer since July 1, 1962. Over the last 40 plus years there have been non-substantiative language changes to reflect the classification change from Assistant Chief Administrative Officer (Item No. 0865) to Chief Deputy Administrative Officer (UC) (Item No. 0864)</p>	<p>Consider deleting this language from the Code as the Board of Supervisors designates an Acting or Interim Chief Administrative Officer when the position of Chief Administrative Officer is vacant and determines the compensation for the duration of the acting or interim assignment.</p>
<p>B. During any regular session of the State Legislature, when an employee of the Chief Administrative Office is designated to be a legislative advocate of the County, as defined by Section 5.40.070 of this code, such employee may be compensated at a rate four schedules higher than that established for his position in Section 6.288.050 of this code, provided that:</p> <ol style="list-style-type: none"> 1. Such employee is in residence at Sacramento not less than 10 nights per calendar month; 2. Such compensation shall be limited to two employees of the department of the Chief Administrative Officer in any one month; and 3. The Chief Administrative Officer certifies that such residence was necessary on behalf of the County's legislative program. 	<p>Date of adoption is unknown; however versions of this language have appeared in the departmental articles of the Chief Administrative Officer since July 1, 1962. Over the last 40 plus years the compensation was increased from 2 schedules to 4 schedules effective 7/1/1963, effective 7/1/1974 the limitation on the number of advocates in any one month was increased from one to two employees; effective 7/1/1997 the language was amended from "...such employee shall be compensated at a rate four schedules higher..." to such employee may be compensated at a rate four schedules higher...."</p>	<p>Consider deleting this provision as the County has full time legislative analysts assigned to represent the County in Sacramento.</p> <p>Additionally, no one is currently receiving this bonus and, it is our understanding that this provision has not been used for some time as employees of the CAO generally are only required to represent the County for a day or two in Sacramento.</p>

Chief Administrative Officer	History	Comments
<p>C. Not withstanding any other provision of this code, persons employed in the positions of Photographer II (Item No. 7077) in the department of the Chief Administrative Officer may be entitled to compensation at a rate three schedules higher than that established for these positions in Section 6.28.050 of this code.</p>	<p>Date of adoption is unknown; however versions of this language have appeared in the departmental articles of the Chief Administrative Officer since July 1, 1962. Over the last 40 plus years the changes to this language have reflected changes in titling; have deleted supervisory classifications that were eligible for additional compensation; changed the additional compensation from one schedule to the current 3 schedules effective 7/1/1975 and finally changed the entitlement for the additional compensation from "shall" to "may" effective 7/1/1997.</p>	<p>Consider deleting this provision as there is a specific classification of Photographer, CAO (Item No. 7079) which was created and approved effective 11/1/1985 and is paid on a higher schedule than the classification of Photographer II (Item No. 7077).</p> <p>There are no Photographer II's assigned in the CAO and it is our understanding this provision has not been used for some time.</p>
<p>D. Whenever a person employed in the department of the Chief Administrative Officer in a secretarial position is assigned by management to participate with analyst staff in the detailed preparation of the County budget, such person may be compensated, for the period of such assignment, at a rate two schedules higher than that established for their position in Section 6.28.050 of this code.</p>	<p>Adopted effective 7/1/1981. This language remained unchanged until 7/1/1997 when the entitlement for this additional compensation changed from "shall" to "may".</p>	<p>Consider deleting this provision. With the advent of computers, word processing and desk top publishing software, the publishing of the budget has been simplified.</p> <p>No one is currently receiving this bonus and it is our understanding this provision has not been used for some time.</p>
<p>E. Whenever a person employed in the department of the Chief Administrative Officer is designated to coordinate the Compensation/Benefits Program, such employee may be compensated at a rate two schedules higher than that established for their position in Section 6.28.050 of this code. The rate established by this provision shall constitute a base rate.</p>	<p>Adopted effective 7/1/1981. This language remained unchanged until 7/1/1997 when the entitlement for this additional compensation changed from "shall" to "may".</p>	<p>Consider deleting this provision. Coordination of the Compensation/Benefits Program is the responsibility of a Division Chief, CAO assigned to manage Compensation Policy. The class of Division Chief, CAO (Item No. #0846) is compensated in accordance with the provisions of the MAPP pay plan. Therefore, the current language is obsolete as the additional compensation is based on the employee being a participant in the Step Pay Plan.</p> <p>No one is currently receiving this bonus.</p>

Chief Administrative Officer	History	Comments
<p>F. A person employed in the department of the Chief Administrative Officer who possesses an appropriate Master's Degree and is designated to participate in the Management Trainee Program, may be compensated at a rate of up to 11 schedules higher than that established for his/her position is Section 6.28.050 of this code. Such compensation shall constitute a base rate.</p>	<p>Adopted effective 7/1/1989. The language has not changed since its adoption.</p> <p>Note: Current pay level, without the extra 11 schedules, is 700D N2, \$35,809 to \$42,047 per annum (same as Administrative Intern, Item No. 0895). With an additional 11 schedules, the salary is \$48,081 to 56,570.</p>	<p>Currently there are no participants in this program. The additional compensation of up to 11 schedules for an appropriate Master's Degree was included to aid in the recruitment of uniquely qualified candidates.</p> <p>Although there are no program participants currently, we recommend that a review be conducted to assess whether this provision and program should be retained.</p> <p>The Management Trainee Program has a long history in the County and was the vehicle used to develop future senior executive managers and department heads.</p>

The original language established this pay plan and provided indepth, specific provisions regarding plan structure, performance groupings and plan operations.</p> <p>Effective 7/1/1990 the plan was amended to reflect its present form.
